ADOPTION AGREEMENT

Name of Cat: _____

I agree to the following:

- ❖ I ensure that this cat will live with me as my companion in my quiet home.
- ❖ I agree to keep the cat indoors at all times with no access to the outside or patio.
- ❖ I will always have screens on windows/patio doors.
- ❖ *If the cat should "escape" I will call Helping Homeless Cats for assistance, put up posters immediately, search, and contact the Pound and Animal Control.*
- ❖ I am responsible for providing good quality food (from pet store or vet), daily fresh water, and a safe, clean and warm home.
- ❖ I will get proper veterinarian care as needed. I understand that Helping Homeless Cats is no longer responsible for vet care after the trial period of two weeks; during that period all vet care must be received through HHC at their own vet; and that HHC will not reimburse other vet care. I know that, if needed, the cat can be surrendered back to HHC at any time, even after the trial period.
- ❖ I will never have the cat declawed.
- ❖ I will always use a carrier when transporting the cat.
- ❖ I am making a permanent commitment to keep this cat for its lifetime, but understand that if for any reason my circumstances change drastically and I am unable to care for my cat I will contact Helping Homeless Cats at 778-426-2426 and they will willingly take the cat back and find a new home.
- ❖ I understand that this cat has been examined by a vet, been spayed or neutered, and had vaccinations, deworming, and flea treatment, but that beyond that there is no guarantee as to the health since we know very little about the background of the cat before the date of rescue.
- ❖ I understand that if this cat should injure a person or pet or damage property that there is no liability for Helping Homeless Cats of Greater Victoria Society. I acknowledge that the cat's current behaviour, as known by HHC, has been described to me in detail and that HHC has no further responsibility in this area.
